Did you know that . . .

- The SAT format will be changing soon?
- Students can qualify for college scholarships with a high SAT/ACT score & GPA?
- The SAT & ACT have similar kinds of questions?
- NC requires every junior in public high schools to take the ACT--& it's free?
- Every point increase in students' scores helps their financial aid opportunities?

What should students do to get ready for the SAT/ACT? When should they get started? Learn about all these topics & more. Get answers to your questions about helping your son/daughter prepare for the SAT/ACT. Find out how students can use their scores to get college scholarships. Try out some actual practice SAT/ACT problems to see how the tests are set up and learn strategies to best answer the questions. Program includes a Q&A session.
